#### Solution

It is proposed to amend the Brookfield Utilities Individual Network Codes in line with SSP changes, thereby removing or amending references that are no longer applicable following SSP implementation.

#### Topics for Discussion

- Understanding the objective
- Assessment of alternative means to achieve objective
- Development of Solution (including business rules if appropriate)
- Assessment of potential impacts of the modification
- Assessment of implementation costs
- Assessment of legal text

#### Outputs

Produce a Workgroup Report for submission to the iGT UNC Modification Panel, containing the assessment and recommendations of the Workgroup.

#### Composition of Workgroup

The Workgroup is open to any party that wishes to attend or participate.

#### Meeting Arrangements

Meetings will be conducted in accordance with the Code Administration Code of Practice.

It is anticipated that one meeting of the workgroup will be required to produce the final Workgroup Report.
