

iGT UNC / iGT INC Consultation Response

Date	24 September 2007
Reference	IGT007 Consultation
Title	RPC Invoice File format
Respondee	Independent Pipelines Limited and Quadrant Pipelines Limited
Position on the Modification	Support Modification Qualified support for Modification Do not support Modification
Facilitation of the relevant objectives How this proposal will, if implemented, better facilitate the "code relevant objectives", as defined in Condition 9 of the Gas Transporters Licence.	
Additional Information and Comments Independent Pipelines and Quadrant Pipelines have been involved in the Development Group discussing the proposed RPC Invoice File Format. We have reviewed the proposed file format and it will require system development by us. There are one or two field for which we will need further clarification and could cause us problems if they remain mandatory. However, we assume that any such discussions to deal with these points will be undertaken in a cooperative way within the industry.	

Completed forms should be returned to the iGT UNC Representative, Gemserv Ltd at iGT-UNC@gemserv.com or faxed to 020 7090 1001
