

Consultation Response**iGT089:** Revision to the Modification Rules in Response to CGR3 – Self Governance

Responses invited by: 14 09 2016

Respondent Details

Name: Maria Hesketh

Organisation: Scottish Power Energy Retail Limited

Please briefly summarise the key reason(s) for your support / opposition

We understand and support the principle, in reversing the use of self-governance rules. Moving forward proposers will be required to objectively prove materiality. Reversing the principle will serve to make sure that resources can then focus on those issues that have a real and material impact on consumers.

Self-Governance Statement

Do you agree with the Modification Panel's determination with respect to whether or not this should be a self-governance modification?

We believe that this change will not alter materially the Modification procedure therefore, meeting the criteria for self-governance.

Please state any new or additional issues that you believe should be considered

No Further Issues Identified

Relevant Objectives

How would implementation of this modification impact the relevant objectives?

f) Promotion of efficiency in the implementation and administration of the Code.

Impacts and Costs

What development and ongoing costs would you face if this modification was implemented?

No significant costs are expected.

Implementation

What lead time would you wish to see prior to this modification being implemented, and why?

First Scheduled release following decision.

Legal Text

Are you satisfied that the legal text will deliver the intent of the modification?

Yes

Further Comments

Is there anything further you wish to be taken into account?
