

Consultation Response

iGT106:

Provision of access to Domestic Consumer data for Suppliers

Responses invited by: 07 Feb 2018

Respondent Details

Name: Andrew Margan

Organisation: Centrica

Support Implementation X

Please briefly summarise the key reason(s) for your support / opposition

Releasing customer switch data to suppliers where relevant, will provide suppliers with better switch information, which will result in better customer transfers and should promote more customer switching, which will +enable improved competition between suppliers.

Therefore, we support the approval of this modification.

Self-Governance Statement

Do you agree with the Modification Panel's determination with respect to whether or not this should be a self-governance modification?

We support SG

Please state any new or additional issues that you believe should be considered

None identified

Relevant Objectives

How would implementation of this modification impact the relevant objectives?

Relevant object D

Impacts and Costs

What development and ongoing costs would you face if this modification was implemented?

None identified

Implementation

What lead time would you wish to see prior to this modification being implemented, and why?

The earliest possible implementation date will ensure data release to suppliers is not delayed.

Legal Text

Are you satisfied that the legal text will deliver the intent of the modification?

Yes

Further Comments

Is there anything further you wish to be taken into account?

None

Responses should be submitted by email to IGTUNC@gemserv.com
