

**Consultation Response****iGT106: Provision of access to Domestic Consumer data for Suppliers**

Responses invited by: 07.02.2018

**Respondent Details**

Name: Rob Johnson

Organisation: ESP

Support Implementation ✓

ESP supports implementation of this Modification as we consider this mod as a necessary step in order to allow suppliers the same opportunity as Price Comparison Websites to access the data available on domestic customers who have premises with supply points on IGT Networks.

This permissions Modification allows the release of this data while ensuring IGTs remain compliant with legal obligations to safeguard data.

**Self-Governance Statement**

**Do you agree with the Modification Panel's determination with respect to whether or not this should be a self-governance modification?**

ESP agrees that this modification is suitable for self-governance.

**Relevant Objectives**

**How would implementation of this modification impact the relevant objectives?**

ESP agrees with the proposer that a beneficial impact to competition (Objective D) between Shippers/Suppliers is possible due to the provision of supply point data to shipper organisations as it is likely to increase the number of consumers who engage in the competitive market and that the increased availability will lead to improved services for, and confidence amongst domestic end users.

**Impacts and Costs**

**What development and ongoing costs would you face if this modification was implemented?**

None

**Implementation**

**What lead time would you wish to see prior to this modification being implemented, and why?**

As soon as practical in following a decision to implement.

**Legal Text**

**Are you satisfied that the legal text will deliver the intent of the modification?**

Yes.

**Further Comments**

**Is there anything further you wish to be taken into account?**

No
