

Consultation Response

IGT116V:Enabling permissions for the provision of information to Alt Han Company to support smart metering roll-out

Responses invited by: 09 Jan 2019

Respondent Details

Name:

Organisation: EDF Energy

Support Implementation	☒
Qualified Support	☐
Neutral	☐
Do Not Support	☐

Please briefly summarise the key reason(s) for your support / opposition

Accurate identification of the premises that require the installation of alternative HAN solutions will be critical to the economic and efficient rollout of Alt HAN to consumers, enabling more of them to access the benefits of smart metering.

We support this modification and the sharing of relevant information with Alt HAN Co in the most efficient manner, in to support this activity.

Self-Governance Statement

Do you agree with the Modification Panel's determination with respect to whether or not this should be a self-governance modification?

We agree with the Modification Panel's determination that this should be a self-governance modification on the basis it is not a material change.

Please state any new or additional issues that you believe should be considered

We have not identified any new or additional issues that would need to be considered in regards to this modification.

Relevant Objectives

How would implementation of this modification impact the relevant objectives?

We agree that this Modification would better facilitate Objective (f) as it will allow Alt HAN Co access to the relevant data in the most efficient manner.

Impacts and Costs

What development and ongoing costs would you face if this modification was implemented?

We would not incur any development or ongoing costs as a result of the implementation of this modification.

Implementation

What lead time would you wish to see prior to this modification being implemented, and why?

We would not require any lead time prior to the implementation of this modification.

Legal Text

Are you satisfied that the legal text will deliver the intent of the modification?

We agree that the legal text will deliver the intent of the modification.

Further Comments

Is there anything further you wish to be taken into account?

We have no additional comments.
