Support Implementation ☒

Qualified Support ☐

Neutral ☐

Do Not Support ☐

Please briefly summarise the key reason(s) for your support / opposition

We support the creation of AlthANCo as a new user and any further requirements are developed and approved via the DSC Contract Management Committee.

Self-Governance Statement

Do you agree with the Modification Panel's determination with respect to whether or not this should be a self-governance modification?

We support the change progressing as self-governance as it doesn't have any impacts on competition, security of supply or directly on consumers'.

Please state any new or additional issues that you believe should be considered

None

Relevant Objectives

How would implementation of this modification impact the relevant objectives?

The recognition of a new user relates to Objective F because it is just administration, recognising as a new user doesn't give automatic entitlement to data, that is yet to be developed at the CoMC.

Impacts and Costs

What development and ongoing costs would you face if this modification was implemented?

Low to no costs.

Implementation

What lead time would you wish to see prior to this modification being implemented, and why?

As soon as possible but both the IGT UNC and the UNC should be aligned.

Legal Text

Are you satisfied that the legal text will deliver the intent of the modification?

No comments.

Further Comments

Is there anything further you wish to be taken into account?

No comments.
