### Please briefly summarise the key reason(s) for your support / opposition

We support the implementation of this change proposal because it will ensure that the IGT UNC is updated and thereby ensure the accuracy of the obligations under code.

## **Fast Track Self-Governance Statement**

**Do you agree with the determination with respect to whether or not this should be a fast track self-governance modification?**

Yes, it is merely the wording of the code which is being updated for the purpose of accuracy and continuity and no change to obligations.

## **Please state any new or additional issues that you believe should be considered**

N/A.

## **Relevant Objectives**

**How would implementation of this modification impact the relevant objectives?**

We feel that Relevant Objective F is better achieved by this change as it will improve the understanding and use of the IGT UNC.

## **Impacts and Costs**

**What development and ongoing costs would you face if this modification was implemented?**

There are no impacts or costs foreseen by this change.

## **Implementation**

**What lead time would you wish to see prior to this modification being implemented, and why?**

Because no system or process changes are foreseen, we agree that the change can be implemented in the next release of the IGT UNC.

## **Legal Text**

**Are you satisfied that the legal text will deliver the intent of the modification?**

Following the discussions within the IGT UNC Modification Workstream and with the Code Administrator, we feel that the proposed legal text is sufficient for the purpose of the modification.

### **Further Comments**

**Is there anything further you wish to be taken into account?**

N/A.
