1 Summary

What

The individual Network Code of Energetic Gas Limited needs to be amended to reflect their new company name.

Why

Energetic Gas Limited changed their company name to Last Mile Gas Limited on 24th September 2019.

How

Updating all references to Energetics Gas Limited within the Individual Network Code to its new name of Last Mile Gas Limited.

2 Governance

Justification for Fast Track Self-Governance Procedures

The modification seeks to update the company's legal registered company name within the company's individual network code. This qualifies as a housekeeping modification only.

The Proposer of this modification determines that this should be progressed as a Fast Track change and that modification also meets the criteria for Self- governance.

Requested Next Steps

This modification should:

- be subject to fast track self-governance
- proceed to Consultation

3 Why Change?

The correct name for Energetics Gas Limited needs to be reflected in their Individual Network Code as Last Mile Gas Limited.

4 Code Specific Matters

Technical Skillsets

N/A

Reference Documents

Energetic Gas Ltd Individual Network Code Version 4.0

5 Solution

References to the old incorrect registered company name of Energetics Gas Limited will be updated to the new and correct registered company name of Last Mile Gas Limited.

6 Impacts & Other Considerations

None.

7 Relevant Objectives

Impact of the modification on the Relevant Objectives:	
Relevant Objective	Identified impact
(A) Efficient and economic operation of the pipe-line system	None
(B) Co-ordinated, efficient and economic operation of (i) the combined pipe-line system; and/or (ii) the pipe-line system of one or more other relevant gas transporters	None
(C) Efficient discharge of the licensee's obligations	None
(D) Securing of effective competition: (i) between relevant shippers; (ii) between relevant suppliers; and/or (iii) between DN operators (who have entered into transportation agreements with other relevant gas transporters) and relevant shippers	None
(E) Provision of reasonable economic incentives for relevant suppliers to secure that the domestic customer supply security standards... are satisfied as respects the availability of gas to their domestic customers	None
(F) Promotion of efficiency in the implementation and administration of the Code	Positive
(G) Compliance with the Regulation and any relevant legally binding decisions of the European Commission and/or the Agency for the Cooperation of Energy Regulators	None

Due to the nature of the proposed change, objective F will be better facilitated by this change proposal as Las Mile Gas Limited Individual Network Code will be updated to ensure its accuracy which will improve the administrative efficiency behind the code.

8 Implementation

The Proposer requests that this Modification is implemented in the first available release.
