

Consultation Response

IGT133: Transition of IGT Theft reporting into the IGT UNC

Responses invited by: 20 05 2020

Respondent Details

Name: Claire Roberts

Organisation: ScottishPower

Support Implementation ☐

Please briefly summarise the key reason(s) for your support

We support this change, since amendments to SPAA Schedule 33 means the removal of annual theft reporting requirement on Supplier and Transporters. This change will allow the IGT's to provide similar theft reporting under IGT UNC. The data items being provided aligning with UNC 0399 and UNC074 providing a standard approach across codes.

Self-Governance Statement

Do you agree with the Modification Panel's determination with respect to whether or not this should be a self-governance modification?

We supported the recommendation that this modification be subject to authority decision

Please state any new or additional issues that you believe should be considered

None Identified

Relevant Objectives

How would implementation of this modification impact the relevant objectives?

a) Positive

In line with UNC 0747 relevant objective F would have a positive impact.

Impacts and Costs

What development and ongoing costs would you face if this modification was implemented?

No costs identified

Implementation

What lead time would you wish to see prior to this modification being implemented, and why?

The implementation date of this change should align with UNC0704.

Legal Text

Are you satisfied that the legal text will deliver the intent of the modification?

Yes, satisfied the legal text reflects the intent of the modification

Further Comments

Is there anything further you wish to be taken into account?

No further comments to add
