Organisation: BUUK

Support Implementation ☐

Qualified Support ☐

Neutral ☒

Do Not Support ☐

Please briefly summarise the key reason(s) for your support / opposition

BUUK agrees with the principle of the modification proposal but, as this will have no real impact on IGTs, remain neutral to the change.

Self-Governance Statement

Do you agree with the Modification Panel's determination with respect to whether or not this should be a self-governance modification?

Yes. Agree that this is not a SG modification proposal.

Please state any new or additional issues that you believe should be considered

None

Relevant Objectives

How would implementation of this modification impact the relevant objectives?

We agree with the proposer that the change meets relevant objectives A and D.

Impacts and Costs

What development and ongoing costs would you face if this modification was implemented?

There may be minimal system impacts to accommodate the change with nominal costs.

Implementation

What lead time would you wish to see prior to this modification being implemented, and why?

No lead time required

Legal Text

Are you satisfied that the legal text will deliver the intent of the modification?

We would merely question whether the legal text is dependent on any other modification proposals being progressed currently.

Further Comments

Is there anything further you wish to be taken into account?

None
