**Please briefly summarise the key reason(s) for your support / opposition**

The proposed change brings the drafting within IGT UNC up to date and into alignment with more recent Codes.

### Self-Governance Statement

**Do you agree with the Modification Panel's determination with respect to whether or not this should be a self-governance modification?**

I agree that this should be a self-governance modification as it does not affect the intent of any clauses within the Code.

### Please state any new or additional issues that you believe should be considered

None

### Relevant Objectives

**How would implementation of this modification impact the relevant objectives?**

I consider that this modification furthers relevant objective F.

### Impacts and Costs

**What development and ongoing costs would you face if this modification was implemented?**

None

### Implementation

**What lead time would you wish to see prior to this modification being implemented, and why?**

I do not believe there is any requirement for a lead time as there are no changes to the operation of the Code.

### Legal Text

**Are you satisfied that the legal text will deliver the intent of the modification?**

Yes

### Further Comments

**Is there anything further you wish to be taken into account?**

No
