

Consultation Response

IGT147: Updating specific gender references to neutral terms

Responses invited by: 21 12 2020

Respondent Details

Name: Claire Roberts

Organisation: ScottishPower

Support Implementation ☐

Please briefly summarise the key reason(s) for your support

SP supports what the modification seeks to achieve by updating specific gender references within code documentation to a more current and relevant text.

Self-Governance Statement

Do you agree with the Modification Panel's determination with respect to whether or not this should be a self-governance modification?

We agree with the self-governance statement.

Please state any new or additional issues that you believe should be considered

None

Relevant Objectives

How would implementation of this modification impact the relevant objectives?

We agree the modification meets relevant objective (F) Promotion of efficiency in the implementation and administration of the Code

Impacts and Costs

What development and ongoing costs would you face if this modification was implemented?

SP would not face any development or ongoing costs as a result of this modification.

Implementation

What lead time would you wish to see prior to this modification being implemented, and why?

No lead time would be required as this is more a housekeeping update to code documentation and implementation could be as soon as possible.

Legal Text

Are you satisfied that the legal text will deliver the intent of the modification?

SP agrees the legal text will deliver the intent of the modification.

Further Comments

Is there anything further you wish to be taken into account?

None

Responses should be submitted by email to IGTUNC@gemserv.com
