Do Not Support ☐

Please briefly summarise the key reason(s) for your support / opposition

We support implementation of these housekeeping changes to correct minor errors identified in the Code

Self-Governance Statement

Do you agree with the Modification Panel's determination with respect to whether or not this should be a self-governance modification?

We agree this should be Self-Governance as none of the updates change the meaning of Code. We are happy for it to be Fast-tracked as there is no material impact to Parties.

Please state any new or additional issues that you believe should be considered

Relevant Objectives

How would implementation of this modification impact the relevant objectives?

We agree that this Mod facilitates Objective F by correcting known errors so that Code is accurate and easier to understand

Impacts and Costs

What development and ongoing costs would you face if this modification was implemented?

None identified

Implementation

What lead time would you wish to see prior to this modification being implemented, and why?

Implementation should be at the earliest opportunity after a Modification Panel decision to implement.

Legal Text

Are you satisfied that the legal text will deliver the intent of the modification?

We are satisfied with the legal text
