## Please briefly summarise the key reason(s) for your support / opposition

*BUUK supports the proposal to include the Retail Energy Code Company as a new user type to the Data Permissions Matrix. We recognise that this is essential in assisting the REC Code Manager in their Performance Assurance role.*

## Self-Governance Statement

**Do you agree with the Modification Panel's determination with respect to whether or not this should be a self-governance modification?**

*Yes. We see no reason why this proposal should not be progressed as a Self-Governance modification.*

## Please state any new or additional issues that you believe should be considered

*None*

## Relevant Objectives

**How would implementation of this modification impact the relevant objectives?**

*We agree with the proposer that Relevant Objective F will be met by the implementation of this change.*

## Impacts and Costs

**What development and ongoing costs would you face if this modification was implemented?**

*None identified.*

## Implementation

**What lead time would you wish to see prior to this modification being implemented, and why?**

*We see no reason why this change, should it be successful, should not be implemented at the next scheduled release, to align with the UNC equivalent modification – 0762.*

## Legal Text

**Are you satisfied that the legal text will deliver the intent of the modification?**

*We recognise that there is no legal text requirement to this enabling modification.*

## Further Comments

**Is there anything further you wish to be taken into account?**

*Nothing further.*
