<b>IGT159 - Amendments to the Must Read Process</b>	Issue for Consultation	x	✓	✓	✓
The Panel agreed by majority that IGT159 should be issued for consultation for a period of 3 weeks and, in addition to the standard consultation questions, all parties should also consider the merits or otherwise of whether there should be a reciprocal arrangement added into the business rules, and therefore the legal drafting, for the CDSP to notify an IGT where a Shipper has identified a known issue.					
<b>Potential change to November 2022 Release Date</b>	Seek Industry Views	✓	✓	✓	✓
The Panel unanimously agreed that views should be sought from industry regarding a potential change to the November 2022 Release Date. it is proposed that the date be changed from 4th November 2022 to 1st of November 2022, as a result of IGT138V - 'Performance Assurance Techniques and Controls' having a designated implementation date of 1st November 2022.
