**Please briefly summarise the key reason(s) for your support / opposition**

We welcome this modification as it seeks to define clear processes for managing the must-read process, especially the edge cases where the shipper is unable to ascertain must reads.

### Self-Governance Statement

**Do you agree with the Modification Panel's determination with respect to whether or not this should be a self-governance modification?**

Yes.

### Please state any new or additional issues that you believe should be considered

N/A

### Relevant Objectives

**How would implementation of this modification impact the relevant objectives?**

We agree with the proposer.

### Impacts and Costs

**What development and ongoing costs would you face if this modification was implemented?**

This is being impacted assessed.

### Implementation

**What lead time would you wish to see prior to this modification being implemented, and why?**

6- 9 months to allow for process and system change.

### Legal Text

**Are you satisfied that the legal text will deliver the intent of the modification?**

Yes.

### Further Comments

**Should a reciprocal arrangement be added into the business rules, and therefore the Legal Drafting, for the CDSP to notify an IGT where a Shipper has identified a known issue.** *(Please see "Panel Discussions" in Section 10 of the [Draft Modification Report](#) for further context and information)*

N/A
