Please briefly summarise the key reason(s) for your support / opposition

We support this necessary Modification that rectifies issues raised from the P1 CSS incident in July 2023.

Self-Governance Statement

Do you agree with the Modification Panel's determination with respect to whether or not this should be a self-governance modification?

We agree that this should be an Authority Direction Modification, as the Proposal states.

Please state any new or additional issues that you believe should be considered

None

Relevant Objectives

How would implementation of this modification impact the relevant objectives?

We agree that this Modification has a positive impact on Relevant Objective (F), by allowing CDSP to undertake Settlement Adjustments.

Impacts and Costs

What development and ongoing costs would you face if this modification was implemented?

We do not identify any ongoing costs.

Implementation

What lead time would you wish to see prior to this modification being implemented, and why?

We believe that implementation should be as soon as reasonably practicable, once approved by the Authority. We believe that this should also be aligned with UNC Modification 0855.

Legal Text

Are you satisfied that the legal text will deliver the intent of the modification?

Yes.

Further Comments

Is there anything further you wish to be taken into account?

No.
