Please briefly summarise the key reason(s) for your support / opposition

The alignment of the IGT UNC with the UNC following the UNC0899 and additional housekeeping changes is a common-sense move. The Modification will allow the necessary changes to ensure the IGT UNC document is up-to-date, and consequently aligned with the UNC, allowing Constituents to continue following the IGT UNC to its full extent.

Self-Governance Statement

Do you agree with the Modification Panel's determination with respect to whether or not this should be a self-governance modification?

Yes, we agree that the IGT175 is justified under the self-governance criteria. The Modification is housekeeping by nature, and there are no identifiable material impacts.

Please state any new or additional issues that you believe should be considered

N/A.

Relevant Objectives

How would implementation of this modification impact the relevant objectives?

We agree with the identified positive impact on Relevant Objective (F) Promotion of efficiency in the implementation and administration of the Code. Given the Modification will undertake housekeeping changes, and help align the IGT UNC and the UNC, it is clear that this would promote efficiency with the implementation and administration of the IGT UNC.

Impacts and Costs

What development and ongoing costs would you face if this modification was implemented?

N/A – there would not be any ongoing costs / identifiable impacts as this Modification is housekeeping by nature and helping align the Code.

Implementation

What lead time would you wish to see prior to this modification being implemented, and why?

We agree with the Modification Proposals intent to release the change as soon as possible, following consultation, as part of the June 2025 Scheduled release. The Modification implementation is a text change and would not require extensive period of time to be undertaken and implemented.

Legal Text

Are you satisfied that the legal text will deliver the intent of the modification?

Yes, we are satisfied that the legal text will deliver the intent of the modification – particularly given that the legal text will align the IGT UNC with the UNC.

Further Comments

Is there anything further you wish to be taken into account?

N/A
