1. Welcome and Apologies for Absence

The Chair welcomed attendees to the meeting. There were apologies from Aleksis Butler (BUUK) and Oorlagh Chapman (Centrica).

The Chair, Code Administrator and Workstream attendees agreed to close the July Workstream meeting and take the material into the August Workstream meeting due to a lack of Code Party attendance and the inability to develop material, thereby deferring all matters to the August Workstream meeting.

TL invited all Parties to raise comments on any of the items on the July Workstream final meeting agenda, particularly the proposed NExA AQ Review Tables, by contacting igtunc@talan.com. RW advised that they had been conducting an internal review of the proposed NExA AQ Review Tables and would send over any comments, along with some minor comments on Part O ahead of the RG008 review in the August Workstream meeting.

No further items were raised. The Chair thanked those who had joined before closing the meeting.

The next Workgroup meeting is scheduled for Thursday 13th August 2026.
